## Who cleans up fallen trees?

Severe weather in Morganton and around the region took down a lot of trees recently. Sometimes trees fall on power lines, sometimes they fall across streets, and sometimes they fall on private property.

Where the tree falls determines who is responsible for cleaning it up.

### Trees in Rights of Way

If a tree falls on a power line or across a city street, then City workers will remove the tree from the right of way.

If a tree falls across a City street, the Public Works Department will respond, cut up the tree, and clear the road. Public Works will also remove the wood.

If a tree falls on an electric line, the Electric

Services Department will cut and remove the tree. Electric Services Department workers also trim trees 15 feet away from City power lines, per City ordinance.

### Trees on Private Property

If a tree falls on private property, it is the responsibility of the property owner to remove the tree. The City does not remove trees from private property.

### Brush Removal

Public Works provides weekly brush collection to residents. Brush is collected the same day as trash. For more details about brush and bulk waste removal, visit <http://www.morgantonnc.gov/brush>.

In February this year, a large tree fell across Woodbine Terrace. In that case, the city Public Works Department cleared the street and removed the tree from the street, but the homeowner was responsible for removing the section of tree on his property.

## Pick Up After Your Pet. IT'S THE LAW.

Pet owners shall not allow their pets to defecate in any public park, playground, greenway, ballfield, street, sidewalk or parking area unless the owner immediately removes the waste. It is also unlawful for owners to allow their pets to defecate on any property other than the pet owner's property.

Morganton City Code Sec. 8-2022 (a) & (b)(5).

## Morganton Community House open!

The Morganton Community House is back open for business!

The renovations are complete, and now the Morganton Community House is not only a full-service venue, it's a full-service, state-of-the-art facility that's adaptable to large and small business functions, seminars, weddings, parties, and more.

The Community House now boasts new, elegant finishes and furnishings, a state-of-the-art audio and video system, a new elevator making it easier to access both levels, new meeting rooms in the lower level, and more!

Be sure to call the Community House at 438-5364 when planning your next event!

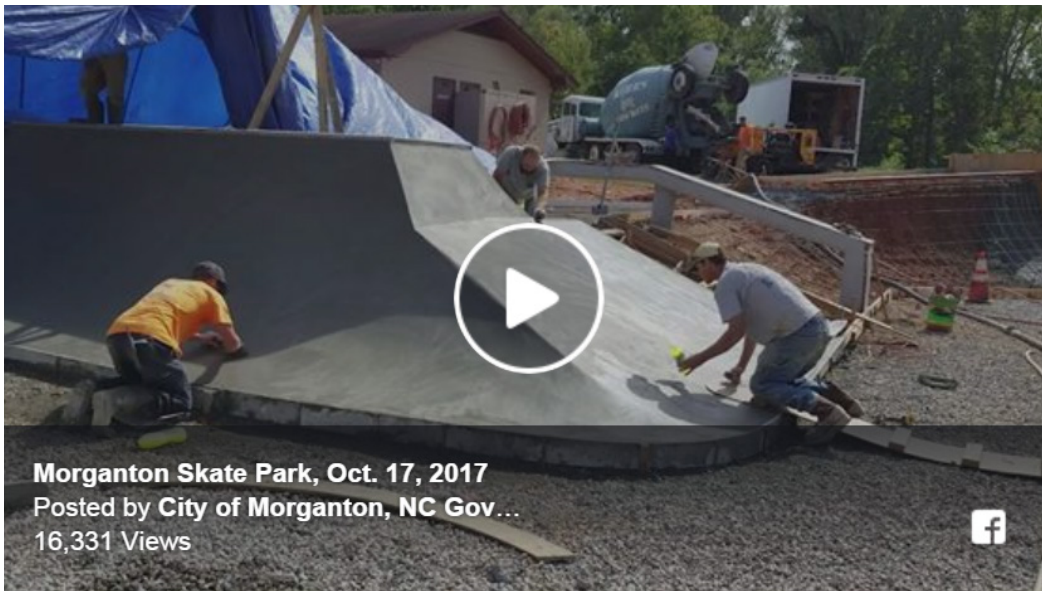

Connolly Room

Lobby

The Connolly Room was fitted with new flooring, a new acoustical ceiling, and chandeliers. The lobby now has a fireplace, more seating for visitors, and a barrel ceiling that was uncovered during renovation!

Morganton Skate Park, Oct. 17, 2017
